

Quality Policy

Venus Metal Craft
Future fabrication is here

Shall work towards a common goal of achieving
Total customer satisfaction
By following Quality Policy:

Manufacturer of Sheet Metals Component.

With quality, speed & cost benefit while meeting customer requirements.
This responsibility & **Commitment** is practiced and communicated by top
Management through:

Implementation of a policy, which meets the quality standards and supports
the organization's purpose;

Ensuring divisions, teams, and staff interact to deliver products which meet
Customer needs, and also provide **continual improvement** as
documented by their Quality objectives;

Also meeting **Statutory and Regulatory requirements**;

Review of the suitability of quality policy and procedures.
